

# Letter of Recommendation for Sergio Pelayo

**To Whom It May Concern**

**It has been my pleasure knowing Sergio Pelayo since 1998. Through the years, I have asked for his help with various projects that I would undertake around the house. Whenever I needed to fix something that required some construction/handyman related experience, I would consult Sergio for advice and/or assistance. Sergio has helped with framing, drywall, painting, electrical, plumbing, concrete, carpeting, and yard work. His experience in the construction field is diverse. He is committed to excellence. Add to that the fact that he is an all-around great person deserving of a chance to do well to better support his growing family. I highly recommend you give Sergio Pelayo the opportunity to join your organization. He will be a great asset to any organization or company that chooses to welcome him.**

*Sincerely,*
